STANISLAUS JUNIOR-SENIOR FROM HELD SATURDAY

The Junior-Senior Prom held on Saturday night at St. Stanislaus Auditorium was a very outstanding social affair.

The theme was Hell, elevated over the door was a sign with the following inscription—"Abandon Hope All Who Enter Here."

The walls were entirely hidden by flames of colored placards and on the stage curtain, an enormous Devil was outlined.

Selections for dancing were played throughout the evening by the Biloxi High School orchestra under the direction of Mr. Carpenter. This is one of the finest high school orchestras in the country, it is stated.

ST. JOSEPH EIGHTH GRADE ENTERTAINED

The Eighth Grade of St. Joseph Academy is living on the principle that you are only young once and are entitled to the fullest of the parties that can be crowded into the short space of the remaining days of school—or we say parties?

Mr. and Mrs. Louis Fernandez entertained the class honoring their daughter Carmella at a buffet supper. The large attractive porch of the Fernandez beach home was arranged with tables and chairs and the table from which the girls served themselves was bright with a white cloth and spring flowers. After supper games were played and fun ran riot. Mr. and Mrs. Roger Boh entertained on Saturday evening at a Mexican party, honoring their daughters Rita and Margaret Boh. Their large back porch was converted into a Mexican scene with guitars, pottery and flags bringing a coloring to the scene. A Mexican menu was served which was something new for the American girls.

Mrs. John A. Green honored their daughter Mary Jane Green with a dinner on Thursday evening at Hotel Reed at 6:00. The table held two silver bowls filled with red and gold gladiolus. Seated at a small table were Mrs. Green, Mrs. Waldo Otis and little son, Waldo, Jr., Mrs. Roger Boh, Mrs. George R. Rea and her sister Mrs. Ethel Kneale of Lakewood, Ohio and Mrs. Paul Jaubert.

Central School P-T. A. Has Last Meeting of School Year

The Central School P-T. A. held the last meeting of the school year on Tuesday afternoon at the school. The major part of the meeting was the installing of the officers for the coming year. Those installed were Mrs. Albert Biehl, president; Mrs. H. Grady Perkins, vice president; Mrs. A. J. Noto, treasurer. A secretary will be named later.

Mrs. Biehl served the organization as president last year and has been chosen for that post again. She has been a hard working, conscientious officer. Some credit is also due Mrs. A. O. Dresher who served as program chairman during the past year. The new vice president Mrs. Perkins has been a loyal and faithful worker in the P-T. A. and has served in other capacities and it is fortunate that she has accepted the vice-presidency. Mrs. Noto was the efficient secretary last year but has taken on a more responsible office this year but will fill it as successfully as she has filled other offices.

The table decorations were carried out in the senior colors—red and white and the place cards and programs were made by Meryl Radford. Toasts were offered by S. J. Ingram, Mrs. George Curet and Miss Ingram. Blaise sponsors of the seniors and juniors.

The menu was enjoyed and created several laughs for its clever piece of work.

92ND COMMENCEMENT TO BE HELD SUNDAY AT ST. STANISLAUS

On Sunday, May 28, at eleven o'clock the ninety-second Commencement Exercises at St. Stanislaus will get underway as another senior group will terminate twelve long years of schooling. The number of graduates which constitutes this class will be one of the largest in the history of this school. This is due in great part to the deferment of teen-agers from the armed services in order to complete their high school education.

This graduation also has the distinction of being the first to have in its midst four war veterans. Such an occurrence will be a common thing in the next two or three years.

The graduates will be further honored with an address from His Excellency Bishop R. O. Gerow. His Excellency is by no means a stranger in our midst. In the past year, he has been present in Bay St. Louis on two occasions. His first visit was for the purpose of administering Confirmation. On his next appearance, he officially welcomed His Eminence, Thomas Cardinal Tien, S. V. D. His Excellency delivered the welcoming address at the Solemn High Mass which was celebrated in Our Lady of the Gulf Church on Tuesday morning, May 21.

St. Stanislaus has always prided itself on the exemplary young men which have passed thru its portals. Graduates of this school have always been able to take their place in the world. This year's class can boast of a solid foundation formed from the experience of almost a century of teaching.

It is with pride that the faculty sees this class depart to bring glory to themselves and to their Alma Mater. From which issued forth waiters carrying trays of delicious food and beverage.

Graduates are: Herbert Luke Babin, Jr., Alfred Pavy Berrier, Charles Adolph Bourgeois, Marcus Anston Broussard, Jr., Charles Keith Capdepot, Vincent F. There are six phases training and a test for beginners and a class can usually be finished in about ten days. He says that this country has the largest crime record of any country in the world and said that New York City had 3,000 cases against 26 in London. "IN OURSELVES OUR FUTURE LIES"

THE SENIOR CLASS of 1946 chose for their class motto "In ourselves our future lies." No motto could be more fitting than this because today more than ever everything you are or you ever hope to be is left entirely in your hands.

Our teachers, parents, and church have done all they could to mold us into an intelligent, good, and useful citizen. It is now your place to go out into the world and make the most of what they have tried so hard to teach you.

If you have cheated to get a grade, or only studied enough to get by on, you will find college or your place in the business world hard to hold. There will be no one, once you are out of school to make excuses for you or help push you along. When you graduate, you will almost be out on your own. If you do not make a success of your future, it will be no one's fault but your own; your teachers and parents have laid the ground work for you. They have done everything possible and given you all the tools and materials to make a place for yourself in the world. It is up to you what you will do with it, whether you will keep it or throw it away.

When you leave high school, whether you go into business or school you will find that you will have to make your own decisions, carry your own share of responsibilities, and use your own common sense, there will be no mother or father, teachers, or ministers to advise you. No one will be able to cover up for your mistakes. You WILL make mistakes, everyone does; but remember to keep on trying and working, for only in that way will you be an honor to those who have worked so hard with you. Times are hard for everyone now, and they will continue to be until things return to normalcy. So you are walking out into a world that will require twice the struggle to get ahead.

We wish to you, SENIOR CLASS OF 1946, all success in your future—in the future that you will make for yourself. The best wishes of all your classmates, teachers, friends, and principals, go with you on your journey into the future. Tomorrow is yours, full of all its opportunities and promises. Make the most of them. We have entered a new age full of promise for everyone. Take advantage of it. Make the most of yourselves. Because in YOU your future lies! —Mary Leigh Weston, Bay High Student Prints.

THE END OF THE BEGINNING

THE day has come! After four long and study packed years, the day has come at last! With the ending of the graduation exercises, forty-nine young men will enter upon the road of life. Behind them they will leave good friends, their school, and playful times. But ahead is a lifetime to live, a lifetime of useful work in the service of their God and their country.

The gentlemen of this year's graduating class are among the most fortunate of those that have graduated in the past six years. With the ending of the war and the almost consequent ending of the draft law, these boys are enabled to plan their future unconditionally, that is to say, without any "ifs" or "buts."

However, with the thought of graduation, there sometimes comes the thought to a person's mind that those who are graduating have reached the high point of their lives. While this is true to some extent, it is not altogether correct, for graduation is but the end of the beginning, or what may be termed, "the lull before the storm."

And the storm is inevitable. In one's journey through life, many things will happen to cause discouragement, for the road is not lined with gold and velvet. Along the way many obstacles will be encountered, placed there by conniving men who strive to get the most pleasure out of life at the expense of unwary people who are too blind to notice the danger until it is too late. But sly men are not the only evils along the roadside which must be overcome. That greatest of all mankind's adversaries, the devil himself, will try to attach his beliefs to every one of our thoughts, words, and actions throughout the remainder of our lives, striving to perpetuate within us his ideas on living.

It is to avoid these things as much as possible that the parents of these forty-nine young men have sent their sons to such an institution as Saint Stanislaus. Having received an understanding of morality, religion, and the basic studies, the graduating class has gained a firm foundation for later life; they have acquired many oases with which to dot the sands of life.

With ninety-one previous graduating classes as their guides, Class '46 has pledged itself to carry on the traditional successes which Stanislaus men make of themselves and keep the fine reputation of the school, no matter what the cost or obstacle.

So, in retrospect of the years passed, the Senior Class of 1946 wishes to express its heartfelt thanks to their parents for sending them to such a fine school; to its teachers for preparing them for the future; and to its many friends for making the years gone by more pleasant. From all, we ask your prayers in order to make the coming years as pleasant as those passed, and to all, we bid a fond farewell.—John Tolve, St. Stanislaus Rock-A-Chaw.

A message to VETERANS

OF WORLD WAR II

FACTS ON YOUR RIGHTS IN BUYING SURPLUS PROPERTY

To improve veterans' priorities in the purchase of war surpluses, Congress has amended the Surplus Property Act. So that you as a veteran may have the facts direct, the War Assets Administration is taking this means to address you.

WAR ASSETS ADMINISTRATION
WASHINGTON 25, D. C.

May 3, 1946

TO ALL VETERANS OF WORLD WAR II:

As a veteran you are anxious to get all the benefits you can from war surplus. It is our desire to give you every possible preference, under the law, in purchasing the items you want.

By amendment to the Surplus Property Act of 1944, the War Assets Administrator has been authorized to reserve certain items for exclusive sale to you. They are listed below, but in fairness, we must tell you that quantities are not large, the demand is tremendous and you may not always be able to buy exactly what you want. Every veteran, however, will have the satisfaction of knowing that all items placed on the reserve or "set-aside" list are going to veterans like himself.

Subject to availability, you may purchase these items for your personal use, as well as for your business, professional, or agricultural enterprise. You may be sure that only World War II veterans will be entitled to purchase them.

The amended Act contains a second provision that further improves your buying position for their own use may purchase ahead of you. Federal agencies buying for their own use may purchase ahead of State and local governments, tax-supported institutions, certified non-veteran small business enterprises and all other potential buyers except Federal agencies. For a specified period after the Federal agencies have had an opportunity to purchase surplus, all available items which do not appear on the reserve list will be available to you to purchase for your own business.

Under the amended Act you still must be certified to purchase war surplus, as thousands have done since the original Act was passed. The certification procedure has now been simplified, as explained at the right.

The War Assets Administration will make every effort to see to it that you receive the benefits Congress intends you to have. Your patience and cooperation will aid in the difficult task we face in trying to satisfy the needs of every veteran who wants to buy surplus property.

THE ADMINISTRATOR

What is set aside for you

The property listed at right is reserved for exclusive sale to veterans of World War II. These are the items in greatest demand by veterans. Large quantities are not available. You may have to wait some time before purchases can be made. So many veterans may already be ahead of you that you may not be able to make your purchase. But you may be sure that only veterans will have the opportunity to buy "set-aside" items.

HOW YOU CAN QUALIFY FOR YOUR PRIORITY

If You Are Already Certified:

Thousands of veterans of World War II have already been certified to purchase surplus items. Such certifications remain valid and may be used to purchase items for which you are certified whether the item is on your reserve or "set-aside" list or on other surplus lists. You will be notified either by mail or by public local announcement where and when to make purchases.

If you are not certified, or if you wish to change your certification to items on the "set-aside" list:

STEP 1. Take your honorable discharge from the armed services of World War II and apply at any of the offices listed below for a veteran's certificate for the item you desire.

STEP 2. Wait for mail or local public notice that the item for which you are certified is available and may be purchased. You may be sure that you will be notified and that you do not need to call in person to check the availability of the items you wish. You will be told where and when to buy.

STEP 3. Make sure that you follow up promptly the notice of availability when it reaches you by either mail or public notice.

BROTHER VINCENT
EXPLAINS MISSION
TO STUDENT BODYTaught And Prefected At
St. Stanislaus

After spending more than eight years in the African Mission conducted by the Brothers of the Sacred Heart, Brother Vincent favored St. Stanislaus with a visit. Much to the surprise of everyone, he was the picture of health and charmed everyone with his genial disposition and good humor.

On Friday, May 24, he spoke to the Freshmen and Juniors. He wore the mission cassock which is white. On Saturday, May 25, the Sophomores received the benefit of his experiences.

He gave a thorough summary of the work being done in the mission field. His observation of the colored boys in his mission averaging six feet in height amazed his hearers. He further stated that the students whom he taught spoke english, a statement which shattered all ideals of primitiveness of mission work.

Among other enlightening remarks was the fact that the pupils travel as far as five hundred miles to attend school. Of course it is a boarding school.

Rotarians Attend District
Conference

Reports from Rotarians who attended the District Conference held in Biloxi last week were heard at the weekly luncheon period of the Bay Rotary Club at Hotel Reed on Wednesday.

A guest of the Club was Dr. Dave Ablowich, resident and Rotarian of Kingsville, Texas. He gave some interesting information of the King Ranch, how maintained, etc. He named places of interest in Kingsville as a castle which is the headquarters of the heads of King Ranch, stables where high bred horses are kept for their use and other like attractions. Mr. Ablowich is registered at Hotel Reed.

REV. PIERCE SPEAKS
AT BACCALAUREATE

The SENIOR Baccalaureate sermon was given Sunday, May 19, at Bay High's auditorium.

The invocation, the Vesper Message and the Benediction were given by Rev. Philip Pierce, who is the Pastor of the Methodist Church.

Mrs. Carl Smith played the processional and recessional.

Our chorus sang a beautiful version of Tchaikowsky's "Come Unto Me." The double quartette sang, "Oh, Thou, from Whom all Blessings Come," also by Tchaikowsky. Mrs. Carl Smith directed both vocal numbers.

The graduating class had a group picture taken before the service, to be framed and hung in the English room. All members of the class wore caps and gowns.

MORE CALLS

All over the South, telephone men are hard at work expanding facilities to handle a greater volume of long distance calls.

More long distance calls now go through as you hold the wire. Service generally is getting better, but we've still a good way to go before we get back to the pre-war standard of service.

Once we catch up with that, we'll keep right on going and try to make the record even better.

SENIORS HONORED
BY JUNIORS WITH
DELIGHTFUL PROGRAM

A most colorful and original theme was displayed at the annual Junior-Senior Prom which was held on Saturday, 18th. The Juniors gave the Seniors a treat which will linger in the memories of the upper classmen. However, let us see for ourselves.

An air of mystery could be sensed as one ventured into the pitch black tunnel that formed the entrance. The only things which could be described were four white winged devils standing with legs spread wide apart and holding in one hand a menacing pitchfork. Between the devils were the traditional skull and bones.

At the end of the tunnel, a black curtain had to be pushed aside. A huge gray rock extending to the ceiling shut off all view of the dance floor. On both sides of the rock were enormous lapping flames which formed an impenetrable barrier. On rounding the rock, one found himself in a cavern. The first thing to catch the attention was a silhouette of a large devil on the far wall.

In the midst of the flames were four elevated platforms, with two tables on each. Beneath them, red coals diffused a soft, comforting glow.

From the roof of the cavern hung thousands of stalagmites of all sizes.

Death of Colored Citizen

It is with regret that the Echo chronicles the death of Mrs. Mary Louise Pienas who died recently. She was the daughter of the late St. John Barabino and the wife of Louis J. Pienas and was 91 years of age. Mrs. Pienas was a splendid woman and had many friends among her own people and the white people. Her ancestors held the first land grant on record here of land sold on North Beach.

She was buried with the rites of the Catholic Church, the Rev. Father Jon Holken officiating and interest was in St. Mary's cemetery. Another good woman has gone to her reward.
